### **For your diary**

- ICTF Conference is confirmed on 10<sup>th</sup> July  
Input for planning meetings on 29<sup>th</sup> April and 16<sup>th</sup> May  
welcome from all ITSS  
Thanks to the whole committee for all its hard work
- Consider attending UCISA Support Services Conference  
2<sup>nd</sup>-4<sup>th</sup> July at Crewe Hall to meet ITSS from many UK  
HEIs

### **To look at over the Vac**

Gartner GTP: see <https://wiki.it.ox.ac.uk/itss/GartnerGTP>

Gartner for Technical Professionals (GTP) is aimed at technical staff. GTP comes from a takeover by Gartner of Burton, a company specialising in 'how to' plans and advice aimed at front-line technical professionals. GTP supplements strategy, planning and management guidance that was traditionally provided by Gartner.
