Colleges Report for ICTF Trinity Term 2015

Internet for B&B/External Guests

A number of Colleges and PPHs have signed up to an agreement to provide wireless for B&B and other non-University guests with The Cloud. It was hoped that this would all be in place by the end of Trinity, but contractual complications have delayed the launch.

SITS for Colleges

There is currently a study underway to investigate whether a SITS for Colleges offering my be feasible, following the launch of the University SITS student database. A number of interested Colleges are participating.
